

# "Key North" Parrotheads Salute!

by Kathy Henderson-Sturtz

It's a festival like no other. Cheeseburger in Caseville...just the mention of it sets the mouth watering in juicy anticipation, the feet tapping to a saucy Caribbean beat, and the imagination soaring to new heights of pink flamingo hilarity and parade float possibilities.

The annual ten days of fun in August are chockful of family-oriented fun with such a wide variety of events and activities that there's something for absolutely everyone to enjoy....even if you're a strict vegetarian. > > >
